## President Steve's Message

Wow! One month into our Lion year and we're off and running! If you blinked, you may have missed some of the many things going on in July:

*2 general membership meetings... 2 new members (welcome aboard Lion Chris Kowal and Lion Lauren Stenroos).*  
*A visit from our new District Governor Lewis Moeller*  
*The Club Roster was updated, printed & circulated (see Lion Arnold if you didn't get yours).*  
*Weekly Cruise Nights continue and are a huge hit, with entries approaching 100 (nice job Lions: Dennis, Lynn, Skip and Eric)*  
*The Food Wagon has been "everywhere"... 3 Movies in the Moonlight, Sidewalk Sales and Leader Dog Puppy Day.*

Thanks to everyone for pitching in and making these events such a huge success. In addition to the funds we've raised, we are being noticed big-time within our community. As a result of our presence at Sidewalk Sales and Movies in the Moonlight, we've received two requests to join our Club and two more requests for additional information. Another interesting side note happened at last Saturday's Movie, "Sleepless in Seattle." With high winds threatening to cancel the show, we were preparing to close down the Food Wagon for the night. They ultimately elected to project the movie onto a brick wall, provided the Lion's stayed with the Food Wagon since it provided the "ambiance" for the evening. Who would have ever thought... from "roach coach" to "weenie wagon," serving grilled bologna, all the way to "ambiance?" Go figure!

You may have noticed a new designation in the Roster next to 8 of our members; "KDS Member!" This appears where we also recognize Melvin Jones Fellows, Life Members and District Offices held. Several days after the rosters were circulated; I received an email from Lion Lynn Demsky who I sponsored. Lynn thanked Arnold and me for the nice job on the roster and wanted me to know she had spent several hours on the Lions International website researching this new KDS Member designation, only to find out there was no such designation. It was only then that Lion Lynn found the

Footnote... \*KDS = Knapp's Donut Shop! Yes, as many of you know, we have a group of Lions that meet regularly at the donut shop each morning; Lions: Beane, Burke, Clemens, Hart, Johnson, Kamrath, Petterson and Vigliotti. If you're ever in the area, stop in and say hi!

On a more serious note, at last month's board meeting, we discussed how to implement the dues increase (\$15 over 3 years) recently approved at the International Convention in Denver. Even though these increases are to begin July 1, 2003, because our Club had already billed the membership for dues (\$58) for the year, we voted to have the Club absorb the increase for this year. However, next July our dues will go up \$10 (\$5 from this year and \$5 for

next year). We also discussed and approved a set of policies and guidelines, which pertain to our meal program and various issues regarding district functions. A copy of these is being included with the newsletter for your review. I am also including a copy of the Club's planning calendar, which I distributed at my first meeting. Please place this in a convenient place and refer to it as needed.

One last bit of news... we have a famous celebrity among us. Did you know there is a Rochester Lion who is on a first name basis with President George Bush? It's true, last Thursday, July 24<sup>th</sup>, Lion Mike Gendich and several other local business owners were asked to meet with the President prior to his news conference on the economic recover plans. Mike and the others spent nearly 30 minutes talking one-on-one with President Bush. Bush

then held his news conference with the masses. After giving his speech and addressing questions, the President shook a few hands as he proceeded away from the podium. As he was about to leave the room, Bush turned to the crowd and made eye contact with Lion Mike who was standing 8-10 people deep in the crowd. Mike asked if he would sign the pass he had. When Bush said "sure," the presidential secret service "parted the crowd" and Bush walked over to Mike. When Bush handed the signed pass back to Mike, Mike said "Thank you, George" and Bush replied, "You're welcome, Mike." Is that awesome, or what!

### August 4th:

**The annual club picnic** is coming up this Monday night August 4<sup>th</sup> at the downtown Rochester park in the Kiwanis pavilion (east end of the park above the pond). This is not a meeting but a fun event. Starts at 6 PM with food ready around 6:30 PM. The club, will provide the hamburgers, hot dogs, pop, and corn. This year the club will also provide the place settings. So all you need to bring is a dish to pass. Some like to bring extra chairs and those of a more cultured nature bring a table cloth. By the way “a dish to pass” does not mean an empty plate.

Members, spouses and guests are welcome. Kids of all ages are encouraged to attend.

#### **CLUB WEBSITE:**

Yes it's true; the Rochester Lions Club now has a web presence. We are "out there" for everyone to see and learn about our organization. For those of you with access to the Internet, please take a little time to get familiar with our site. We are always looking for feedback and ideas. Most of the changes since going live, March 1<sup>st</sup>, have been in the "photo gallery" sections (Our Club, Rock 'n Rods, Soapbox Derby and Nite Lite Golf). Please bring in any photos you may have that you feel shows off our club.

We are also actively looking to find ways to get the word out about our Club and our website. These include adding our web address to such things as... the food wagon, stationary/letterhead, business cards (see sample below), newspaper articles, fundraiser flyers and White Cane thank you cards.

## **Puppy Days – A Successful Event for Leader Dogs and Rochester Lions**

---

Saturday, July 26<sup>th</sup> a beautiful sunny day brought the Leader Dogs annual puppy days event for its puppy raisers to Rochester College. Due to the ongoing construction activities at the Leader Dogs campus the event was moved to the college this year. This move gave Rochester Lions Club an opportunity to assist Leader Dogs and raise some funds. Through an arrangement with Leader Dogs, they paid for the Food Wagon supplies and we get credit for difference between cost and retail. Lots of Lions helped out. Some lions invited guests to help or just attend the event. Great event to show guests what Lions and leader Dogs is about.

All the Lions worked hard but had a good time. But a deep philosophical question arose around noon in the heat of the Food wagon.

#### **How many Lions does it take to cook a hot dog?**

Well let's add them up. In the morning there was one Lion thawing the dogs, one prepping the cooking equipment and two standing watch over the dogs as they cooked. Then when it was lunch time – well lets do this backwards on the assembly line- There was one Lion loading the boxes (watch out for the bottom of those boxes Celia) plus at least one doing the transporting. There was one Lion wrapping the dogs, one Lion putting the dogs in the bun and two lions and one guest opening the buns. That's right it took 2 and ½ Lions to open the buns. Alright lets add them up 1,2, 3...10. 10 Lions to cook a hot dog! A&W look out we've got your business plan and we're coming after you!

***Bill Hansen, President,***

**Leader Dogs for the Blind.**

**And from the fine sense of humor of a fellow Lion comes this little bon bon.**

One day a man, who had been stranded on a desert island for over ten years sees an unusual speck on the horizon "It's certainly not a ship", he thinks to himself. As the speck gets closer and closer he begins to rule out the possibilities of a small boat, then even a raft.

Suddenly, emerging from the surf comes a drop dead gorgeous blonde woman wearing a wet suit and scuba gear. She approaches the stunned guy and says to him, "Tell me, how long has it been since you've had a cigarette?" "Ten years," replies the stunned man. With that she reaches over and unzips a waterproof pocket on her left sleeve and pulls out a pack of cigarettes. He takes one, lights it, takes a long drag and says, "Man, oh man! Is that good!!" "And how long has it been since you've had a sip of bourbon?" she asks him. Trembling the castaway replies, "Ten years." She reaches over, unzips her right sleeve, pulls out a flask and hands it to him. He opens the flask, takes a long swig and says, "WOW, that's absolutely fantastic!"

At this point she starts slowly unzipping the long zipper that runs down the front of her wet suit, looks at the man seductively and asks, "And how long has it been since you've played around?" With tears in his eyes, the guy falls to his knees and sobs, "Oh good Lord! Don't tell me you've got golf clubs in there too?"

And what's  
"Motorhead Monday's at the Village"?

Well, you could ask Lion Denny Scott. Or you could stop by The Village of Rochester Hills any Monday night from at 5:00 PM til dusk. It starts this Monday May 5<sup>th</sup>. There will be cars, music, cars, raffles, trophies and much more. If you would like to help out just call Lion Denny Scott. If you have a hot rod or classic car bring it out. Either way you'll have some fun. Maybe the weather will even cooperate this year.
