Club Meets 6:30 pm-1st & 3rd Mondays of Each Month at the Riverc Cest Banquet Facility

President's Message . . .

I want wish each and everyone of you a Happy Year as we start off on our new Lion Year. It sure does seem like time has just been flying by since Lion Dave McKenzie talked to me about being a Vice President. This was something that I had never planned on doing again. I want to thank the members of the Rochester Lions Club for all the support that you all have given to me and I look forward to this to go on all year. The members of the Rochester Lions Club can sure be proud of the job that you have done over the years and this should go on for a long time.

I was just amazed at the number of Rochester Lion Members that came out and worked the Car Show for two days on a Holiday Weekend. This was just great and a big thanks to Lion Bob Treppa, Lion Bill Claussen, President Eric and the whole committee on the job that they did on this project. We are now looking forward to August 15th when we can do this all over.

We will NOT have a regular meeting on July 5th because of the July 4th Holiday. Our Board meeting is going to be held at Leader Dog School For The Blind on Monday July 12th. If you are a member of the Rochester Lions Club, you should be coming to the Board meetings when you can. As the President of the Club, I would like to see more members at the meeting to see the working part of the OUR LIONS CLUB. The Starting time is 7:00PM.

Our Regular meeting for July will be on July 19th and it will be held at the Lion Bear Lake Camp. You, your spouse, your friend or all of listed as this is going to be a time that you are going to be able to see the camp with the "Sight Impaired" Children at camp. This is something to see and you know that we all are a part of this camp and the support of the Camp.

We will be able to get into the camp at 4:00 PM and you can start to look around and see the whole camp and the kids at camp. Dinner is going to be served around 5:00 PM. We will get to eat dinner with the kids and then after dinner we will be able to see what their program is for the night.

I will be taking a count at the Board Meeting and if you are not at the Board meeting PLEASE call me at home (248-693-1700) and give me your count. Lion Kathy Gladd has included a map on how to get to the camp. I sure hope that we have a good turn out for this dinner at the Lions Bear Lake Camp because this will be good time to see Lionism in action.

Again I want to thank all of you for your Confidence in me and your support.

JIM

A few facts about Lions Bear Lake Camp

Lions Bear Lake Camp is owned and operated by Lions Visually Impaired Youth Camp, Inc. a 501C-3 Non Profit Corporation. The camp opened its doors in July, 2000. It is financially supported by Lions, Lioness and Leos throughout Michigan.

Visually Impaired Youth Sessions

Bear Lake Camp offers a camp program for visually impaired youth. The program focuses on having fun while developing self concepts, relationship learning, Independence with life skills and acquiring outdoor skills.

Hearing Impaired Youth Session

Bear Lake provides a one week camp experience for youth who are hearing impaired. The program is developed and coordinated by teachers of the hearing impaired. It is geared to meet the unique needs of children who use listening and spoken language as their primary modes of communication. Our goal is to provide a camp rich with experiences that promote communication. While having fun, we will build vocabulary, focus on auditory skills and use good language to communicate with others.

Leadership Development Program

Program activities include: horseback riding, swimming, boating, hiking, crafts, nature, archery, teambuilding, overnight tent camping, games and drama. Older campers have the option to participate in leadership development activities. The leadership development program runs through two summers with elevated experience and responsibilities in the 2nd year.
