Rochester Lions President's Message.

It's August and an important time for our club. Our 19th annual Rockin Rods car show is scheduled for Sunday, August 12th in downtown Rochester. This one-day event (which takes 364 days of planning and preparation) is a major fund raiser for our club. It is a significant part of raising the \$65,000 used to support our various charities throughout the year. I'm asking all members of the Rochester Lions Club to provide whatever effort they can. Even if it is just a few hours before, during or after the event, every bit helps reduce the load placed on others with your absence.

This event would also be a great time to introduce prospective members to our club. It would give them an idea of what we do and let them see the impact we have on bringing the community together for a great time.

The first meeting of August is our annual "family picnic." Please check your email for Arnolds message so we know how many to expect and what dishes everyone plans on bringing to pass.

Always keep in mind that we are looking for new ideas for fund raising events that might reduce the need for time and personnel commitments. Something not weather dependent (like our car shows) would be a welcomed addition.

Hope to see you all at the picnic and car show!

President Steve

"Summer Santa"

Lion Bill Claussen our resident "Santa" volunteered at the Christmas in July charity event on Wednesday July 25 at American House on S Adams. He ran into Mary Ann Newton who had volunteered to work one of the craft tables. Mary Ann and Lion George recently relocated to American House. The American House is a sponsor for all three of our car shows so it was fitting that we support their American House Foundation. Mary Ann enjoyed seeing Lion Bill and extended an invitation to any of our Lions to give her a call and stop in to see George.

In Our Thoughts

A number of our valued members are ailing and can't join us.

Please keep them and their families in your thoughts
