Rochester Lions Presidents' Messages *Outgoing President*

My Fellow Lions and Good Friends,

I can't express the gratitude in my heart for the outpouring of concern and the prayers from the Rochester Lions Club. I have received cards and phone calls from Lions and spouses of deceased Lions too numerous to mention.

One never knows how and what lives you touch, I am very fortunate, although I really don't want to go through the experience again to have this feeling.

My Oncologist is pleased with my progress. I have had six (6) chemotherapy sessions at three (3) week intervals. Fortunately, I have not experienced some of the severe side effects that some do. I do experience tiredness, and normally rest after treatment.

I have an appointment with my Oncologist at the end of July. Hopefully the mass on my lung and liver will continue to recede and I won't need anymore chemotherapy. So, I'm not out of the woods yet but I can see a light. Hoo Rah!

I'm most proud of RLC in these extraordinary times, members found a way. Kathy, Lowell and Bruce shifted gears and found some money making projects more work, less money but something. Kudos to you and anybody who helped you.

At our next meeting, pat each other on the back for a job well done.

We have two (2) upcoming projects; Rock-n-Rods and RLC Memorial Golf Outing. Think about sponsorships and participation

Thank You and Stay Well

David

Past President David McKenzie received a lifetime Membership to our club. You deserve it Lion David!
