April, 2008 NEWSLETTER

Club Meets 6:30 pm-1st & 3rd Mondays of Each Month at the Rivercrest

President's Message....
April, 2008

Last month we lost another true Rochester Lion, First Vice President, Ralph Vitale. Ralph was a dedicated, hard working, loyal and proud Rochester Lion. Lion Ralph will truly be missed.

During the past month the 'Think Tank Committee' met and I cannot help but believe that had Lion Vitale been present there would have been additional 'unique' ideas placed on the table for discussion. You can be assured, however that your committee has come up with some exciting additional fund raising, and fun ideas to be considered in the future. Our club has some fund raising activities and events during the long Michigan winter months, such as the Ice and Fire event, but we seem to really be hustling all the time during the summer months. Because we are a "doing and going" kind of group, we're coming up with ideas to keep us 'in shape' and hopping all the time! No rest for the wicked, as they say. We like to have fellowship, fun and be serving all the time. Keep watching for future newsletters to let you know what's new in the happening area of RLC so you too can join the fun.

Spring is here and summer's not far behind. I know that's hard to believe....when you look out the window at the snow on the ground. Car show time is just around the corner and our committees are hard at work getting things rolling now. Feel free to contact any of the various car show committee members to see where and when you can help. Please contact Lion Al Lucas regarding helping during White Cane Week!!

We should all be very proud of the good service work our Club produces. I sure am proud of each and every one of you. Thanks for your service.

Sincerely, Lion Jim Williams

In Memoriam...

Lion Ralph Vitale, 1st V.P.

It is with great sadness and shock that we report the recent passing of Lion Ralph Vitale, our Club Ist Vice President. Ralph, quite simply, was bigger than life and dedicated himself to Lionism and our "We Serve" motto. He will be sorely missed.

My wife, Sharon, and I are indebted to Ralph for introducing us to Lionism and the Rochester Lions Club family...as our sponsor and mentor. Ralph was always "full of life" and wouldn't miss an opportunity to contribute and volunteer. And, even inspite of concerns about the depressed housing market (Ralph was a Certified Master Appraiser), Ralph was ALWAYS there when our Club needed him most...for anything and everything. May God take Ralph into his arms, put him to work, and watch over him. Our sincere condolences go out to his wife, Diane, and his entire family.

NEWS FLASH

Campaign SightFirst II 630-571-5466, ext. 526 CSFII@lionsclubs.org

For Immediate Release

Lions Surpass Campaign SightFirst II Goal

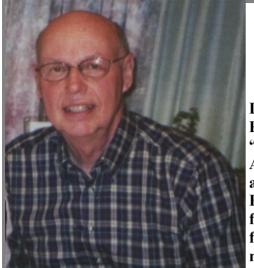

Oak Brook, IL, USA, February 21, 2008 — Campaign SightFirst II has surpassed the \$150 million minimum goal. On Worldwide Report Day February 20, National and Multi-National Coordinators' telephone calls and reports revealed that Lions have raised more than US\$157.9 million for CSFII. Lions around the world have helped Campaign SightFirst II surpass its minimum goal by rallying to raise funds for Campaign SightFirst II.

Lions surpassed the US\$150 million Campaign SightFirst II (CSFII) goal well ahead of convention. With four months remaining, Lions are now looking ahead to the additional US\$200 challenge goal and helping ensure the future of SightFirst through continued and expanded efforts to eliminate preventable blindness worldwide. Lions' support of CSFII is crucial in the remaining months.

Through Campaign SightFirst II, Lions will expand the Sight-First program. At least US\$100 million in CSFII funds will be granted to contain and eliminate the leading causes of avoidable blindness. Another US\$50 million will be used to combat emerging threats to sight. In addition, by exceeding their minimum goal of US\$150 million and reaching their US\$200 million challenge goal, Lions will provide "vision for all" through research, rehabilitation and outreach to vulnerable populations.

Lions Clubs International Foundation is Lions helping Lions serve the world. Donations provide funding in the form of grants to financially assist Lions districts with large-scale humanitarian projects that are too extensive for Lions to finance on their own. The Foundation aids Lions in making a greater impact in their local communities, as well as around the world. LCIF was recently ranked the number one NGO in a Financial Times study. Through LCIF, Lions ease pain and suffering and bring healing and hope to people worldwide. To learn more about Campaign SightFirst II and the SightFirst program, visit www.Lions-CSFII.org.

Salute to Arnold Sell April 2008 Lion of the Month

Lion Arnold Sell was born in Detroit but moved as a young boy to Rochester with his family back in 1941. His father worked for "National Twist Drill" the "big factory" of Rochester at the time. Arnold grew up on Third Street with his parents and one sister. He attended St. John Lutheran School and graduated from Rochester High School. Arnold also attended Highland Park Junior College for a brief time before enlisting in the US Army. He was assigned for more than a year to an Army garrison in Munich, Germany...where he enjoyed both the German customs (good beer and good food) and the German people.

Upon being discharged from the Army, Arnold was employed by National Twist Drill..carrying on the family tradition as their advertising manager...until National Twist Drill moved from Rochester. He then worked for National Envelopes Company until his retirement. Arnold is married to Diane Sell, who together, have two children, Gail and Kurt...and 6 grand-children. Retirement has brought Arnold lots of time for family and friends. He also has another hobby, his computer..and of course his "main" hobby...our own Rochester Lion Club. Since joining our Club, Arnold has gained great satisfaction being able to serve our community and also fellow Lions. According to Arnold, "Being our Club's Secretary has been a very rewarding experience."

There are a multitude of "testimonials" for Arnold and how valuable his Club accomplishments and contributions have been over the years. While Arnold makes the Secretary's job look easy...it's actually very labor intensive and time consuming...recording accurate minutes of ALL official Club activities, etc. Arnold is also genuinely dedicated and sincere...in ALL his efforts to "Serve" our Club and our community. His unselfish acts (collecting Leader Dogs for the Blind Canisters and the inordinate amount of time he dedicates as Club Secretary) and his dedication to our Club reflect great credit upon himself, his family, and the Rochester Lions Club.

A Sincere and Hearty "Thank You" to Arnold Sell as our April, 2008 Lion of the Month!

New "Food Mobile" Approved by RLC Board

Our Club's Board of Directors unanimously approved the use of the new "Food Mobile" owned by Lion Mike Gendich. Lion Gendick offered our Club the use of this new fully self-contained and self-propelled unit for \$1.00 per year for the next five years. The Food Mobile will be staffed exclusively by Lion Gendich, Lion Robert Treppa and Lion Steve Shelton..in addition to other specially trained RLC members as needed.

This is welcome news as our Club will make good use of this new fund raising vehicle throughout the year in our major events (Rock N Rods in Rochester & Heritage Custome Rod & Car Show, etc.) as well as many other community events that we'll add this year. Lion Mike, your generosity is much appreciated. Ed.

Scams On the Rise... REWAREN

Seniors continue to fall prey to scam artists in OUR local communities. A fellow Lion recently received a suspicious email which identified him as the "beneficiary" and heir to the estate of an alledged fellow Lion. Using "Lions" and "Lionism" is serious enough. But these scam artists will say and do anything to separate you from your hard earned money. Please...DO NOT fall victim to ANY telephone calls or emails or mail correspondence....which promises you some windfall or other apparent "FREE" money...for only a little of your money. It's a SCAM!! And, all Lions should beware of the increasing numbers of these scam artists who prey on predominately senior citizens.

Just recently, a 71 year old local Rochester Hills woman was "relieved" of more than \$50,000.00 of her life savings by someone fraudalently representing themselves as a "Reader's Digest" official...claiming that the woman had won \$500,000 in a sweepestakes contest. Unfortunately, she believed it...and now is in dire financial straits.

Similar scams have habitually originated from Canada, Nigeria and the Netherlands. And, although the victim's funds were paid with her credit card to a Canadian address...the scam artists could be located anywhere in the world, says Oakland County Sheriff's Lt. Ray White. White warns seniors and citizens alike to beware of "too good to be true" offers. "We keep telling people to call your local police immediately when you first get these types of calls or emails, "he said. "If you have to give out a smaller amount of money to get a larger amount, it's ALWAYS A FRAUD! Never write out a check nor give out your credit card number" White says. "People have to be careful," White said. "There's no such thing as free money."

National Poetry Month—April 2008

"This is thy hour O Soul, thy freeflight into the wordless.

Away from books, away from art, the day erased, the lesson done,

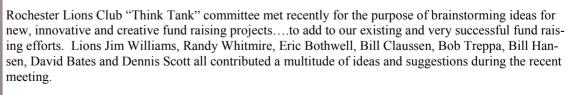

Thee fully forth emerging, silent, gazing, pondering the themes thou lovest best,

Night, sleep, death and the stars.

Think Tank Committee Brainstorms New Fundraising Ideas....

Lion Bill Claussen probably did the most detailed research into various fund raising actitivities that were extensively discussed and considered. The committee will be meeting again on May 5 to further discuss and define several possible options for fundraising projects...that we could effectively execute later this year. Please contact any of the above members...should you have any fundraising ideas that you would like to share with YOUR Club.

Super Smoothies Can Give You a Boost...And Save Your Life!

Health & Nutrition A Continuing Series

If you've been suffering from fatigue, heartburn, anxiety, arthritis and eye problems—or just feel like you need a boost—you might find relief by getting more fruits and vegetables in your diet. One easy way to do this is to drink a smoothie made from healthful fruits and herbs.*

Smoothies are blended drinks made with juice, soy milk or yogurt. To prepare, put all ingredients in a blender and process on low for 30 seconds, then on high for another 30 seconds (or until smooth). Pour into a tall glass and enjoy.

FATIGUE...(Eye Opener)

Fresh fruits provide the digestive enzymes the body requires to process nutrients and convert food into energy. Here's an "Eye Opener" that'll get you going:

Eye Opener—1/3 cup orange juice, 1 cup cherries, pitted, 12 strawberries, hulled and halved, 1 orange, peeled, seeded and chopped—Serves 2

HEARTBURN....

That burning sensation may be caused by stomach acid or inflammation of the stomach lining. Soothing herbs, such as slippery elm bark, provide relief. **Warning:** *Symptoms of heart disease can mimic heartburn. Before you assume that you have heartburn, be sure to check with your physician.*

Slippery Banana—1/4 cup German-chamomile infusion (pour 1/4 cup boiling water over 1 tablespoon of chamomile flower heads and steep 10 minutes, no need to strain); 1/4 cup ginger infusion (pour 1/4 cup boiling water over 1 teaspoon of grated, peeled fresh ginger root and steep 10 minutes, no need to strain); 1/4 cup plain yogurt; 1 ripe banana, peeled and chopped; 1 teaspoon slippery elm bark powder (available in healthfood stores); 1/4 teaspoon ground nutmeg—Serves 1.

ANXIETY...

Foods that contain calcium and magnesium, including almonds and soy milk, help reduce nervous tension.

Almond Banana—1 cup plain soy milk; 3 tablespoons almonds, chopped; 2 ripe bananas, peeled and chopped; Pinch of nutmeg—Serves 1 or 2

ARTHRITIS...

Anti-inflammatory herbs, such as chamomile and ginger, reduce pain and joint deterioration.

Calming Chamomile—1/2 cup German chamomile or chamomile-ginger tea; 1 apple, peeled, seeded and chopped; 1/4 cantaloupe, peeled, seeded and chopped; 1 tablespoon fresh German chamomile flowers or 1 teaspoon dried; 2 tablespoons plain vogurt; 1 tablespoon liquid honey—Serves 1 or 2

These ARE easy to prepare! And, once you've tried them...it'll be that much easier to fix for your self in the future.

To your Good Health & Happiness...

* Women who are pregnant or nursing and people with chronic conditions, such as diabetes, should check with their doctor before taking any herbs.

...have a GREAT Day!!!

Life is short!
Break the rules! Forgive quickly! Kiss Slowly!
Love Truly. Laugh uncontrollably...

And never regret anything that made you smile.
