Rochester Lions President's Message.

Dear Fellow Lions

Unlike last month's message, this month I have very little to say Yea!

I do want to take this opportunity to thank Larry Cole, Bruce McGregor, Arnold Sell, Paul Clark and Jordan Lal for helping me to clean out a bunch of junk out of our storage trailer. Now we have an opportunity to centralize more of our important archives. We put 5.9 cubic yards of junk in a 6 cubic yard dumpster but there is probably 40% of the junk left. But, and that's a very big BUT, we've made big progress. HOORAY!

Moving on, December 6 & 7 is Kris Kringle Market. Rochester Lions Club will be hosting a warming tent, selling hot chocolate, s'mores and marshmallows. In addition, we will be selling small wooden toy cars and trucks to supplement our Todd Minbiole Memorial Scholarship Fund. We will be manning a fire for roasting marshmallows, selling hand made gifts and presenting Santa Claus for the kids.

Traditionally, every year since the RLC started the Christmas Parade in the early 1950s, RLC has entered a float in the Christmas Parade. This year will be no different. As he has done for more than 30 years, Don Westphal will have a plan for the year's entry. The float will be constructed at Leader Dog in the maintenance garage. It's fun and provides a wonderful opportunity for fellowship and camaraderie.

The first regular meeting in December will be our annual festive Holiday Dinner, December 2 2019. Mark the date!

With honor I serve.

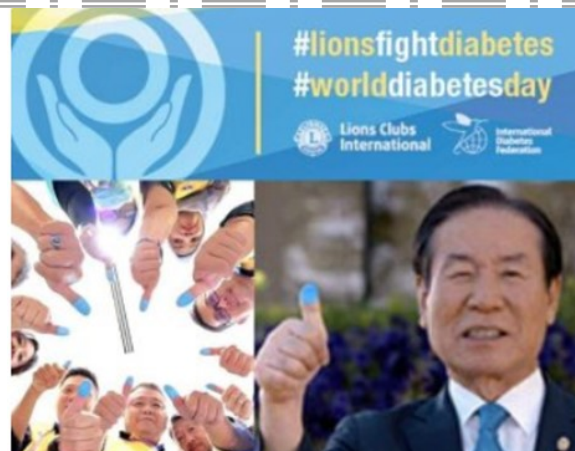

David L McKenzie-President, RLC

Diabetes Awareness Day Nov.14 2019

Diabetes is the signature cause of Lions and Leos around the world. This year, in partnership with the International Diabetes Federation (IDF) we're on a mission to make our mark by screening 1 million people for type 2 diabetes. It is expected to affect 629 million adults by 2045.

**Remember
Reverse Advent boxes are due
at the November 18 meeting.
See the website for the list.**
