Rochester Lions President's Message.

Fellow Lions
HAPPY NEW YEAR!!
I know you're saying "New Year's was in January" but July 1st is the beginning of the new Lionistic year 2021-22. This year is off to a great start. We are able to meet in person again and even had our family picnic. It was so great to see everyone in person again and to learn more about the Leader Dog Puppy Pogram. We have also gained 3 new members and possibly another one in the works.

Our projects are also returning to somewhat normal. We have Rockin Rods coming up August 15th (Thanks Lions Celia, Bill and team). We still need help on this event. Contact Lion Celia for info.

White Cane round 2 is going to be at both Krogers at Livernois and Walton and also Adams and Silverbell on August 20-22. Kroger is only allowing solitations on two weekends total so we were very fortunate to be able to get these two locations. For that reason, we need all slots filled. We have a couple of openings for the 2:30-5 shifts at the Livernois store and a couple 12-2:30 and almost all for the 2:30-5 shifts open at Adams and Silverbell. Please let me know if you can spend a couple of hours collecting for this cause.

The Memorial Golf outing and Brooksie Way are also coming up in September and will need your help.

Please note that we are changing the dates of our meetings in September due to Labor Day. Also, keep an eye out for info about our Holiday party and new meeting location after River Crest closes after November 15. We have a team looking into a new, reasonably priced location so stay tuned. In conclusion, keep our ailing Lions in your thoughts and prayers and stay healthy yourselves.

President Kathy – We Serve

Returnable can and bottle fund raising project:

During the months of June and July, Lions Kathy and Lowell Gladd and Bruce MacGregor headed up a collection project of returnable cans and bottles. This was similar to the collection project of 2020 with the exception being that Club members needed to return all the returnables to the stores. The final number is not in yet, but the number must be over \$1,800. Many thanks to those Club members who returned the cans and bottles back to the stores.

Special thanks to District Governor Jim Leach and his daughter Genevieve for taking a pick up truck full of cans and bottles to return. Genevieve was gaining community service hours for school.
