April 15, 2021

In spite of the fact that the COVID numbers are currently going in the wrong direction, the Rochester Lions Club Board of Directors are hopeful that by mid-August the situation will permit our Club's Rockin Rods n' Rochester car show to be held. Therefore, the Rochester Lions Club would like to announce that registration for our 2021 Rockin Rods n' Rochester Car Show is now open. You can also go to our Website (rochesterlionsclub.org) to download the registration form or register online. The show is limited to 375 vehicles based on the available parking spaces.

Please note that due to the ongoing COVID-19 pandemic, this show will need to follow all of the state, county and city guidelines and safety protocols (i.e. masks and social distancing, etc.) that are in effect at the time of the show and all arrangements are subject to change.

Please check rochesterlionsclub.org and/or your email before coming to the show to verify that we can still hold the show. Refunds will be offered if we cannot fulfill our obligation to our participants.
